P&C Meeting
12 November 6PM S Block
All Welcome
Please come along to our next P&C Meeting on Tuesday 12 November at 6pm.
Every voice and opinion is important to us, but we need you to come along to the P&C Meetings to ensure it is heard.
The P&C’s next fundraiser is Billy G Cookie Dough. Order forms will be sent out shortly. Orders close 7 November and will be delivered to the school on 28 November. Please support this fundraiser and buy some delicious cookie dough. All proceeds go back to the school to buy resources to support your child’s learning.

Sensory Movie Day Team
**PARENT PATCH**

This year Grandparents Day will be celebrated on **Sunday 27 October 2013**. Grandparents Day acknowledges the vital role that grandparents play in our society, both as custodians of individual and cultural memories and as providers of care, love and guidance to their grandchildren. Grandparents Day recognises the irreplaceable role grandparents have in their families and in the wider community.

At Caboolture Special School, we know that many families rely heavily on grandparents for support, childcare and respite. In some cases, grandparents have also taken on the primary caring role for their grandchildren. Because of the special place grandparents have in the lives of their families and the support they offer our school, we would like to say thank you.

On **Friday 1st November**, grandparents are invited to our *Koffee Kapers* coffee shop. For every coffee that a grandparent purchases, they will receive a free cake or sweet from our delicious menu. This will also be *Market Day* for our Country Kitchen program where jams, chutneys, crafts etc made by our students will be available for purchase. So if you are a grandparent or if your family has grandparents who are important in the lives of your children, please invite them to come along for a relaxing morning of coffee, snacks and markets shopping to say thank you for all that they do.

**7-9 DEPARTMENT NEWS**

"Nobody can go back and start a new beginning, but anyone can start today and make a new ending."

As we commence term 4 the focus in 7-9 is about finishing the year well. Students are being encouraged to create the ending they want to be known for in their classes.

This term the focus for students is on consolidating their learning in some units and preparing to start the new year. We are looking forward to seeing students presenting their final assessment pieces and celebrating their success with their peers in these units.

We are also looking forward to commencing the HRE Program in 7-9 in week 5. This program is run in consultation with Family Planning Queensland. It’s been great to see high numbers of parents interested in and attending these information sessions over the past weeks.

Students will be grouped specifically for these sessions and further details will be sent home coming weeks.

Thanks so much for all the support you provide to this school and to your child’s teacher. Working together with you in educating your child is a privilege.

**Amada Turnbull** - **7-9 Department Leader**

**P - 3 DEPARTMENT NEWS**

Welcome back to school for the final term of 2013! Hasn’t the year flown by. When you think back to the start of the year I’m sure you notice the development and learning your child has achieved throughout the year! I would like to take this opportunity to welcome 2 new students and their families to our P-3 cohort. Mary-Rose has settled in to P-3J and Drew to P-3J. We know that both students will join with their classmates enjoying the continued learning in these classes.

It has been an exciting start to the term with our visits to the Sunshine Castle at Bli Bli. The students have been able to experience first-hand the land of ‘Fairy Tales’. They have explored the Castle building with its many rooms and corridors and displays at every turn. The dress up box has been a source of enjoyment for many. Thank you so much to the students for their controlled behaviour during our visits and the teachers for your wonderful organisation and care of your class on these first combined excursions for our department. I would like to thank Sam W. our fantastic Occupational Therapist who has supported both days ensuring appropriate equipment has been available for the safe management of our students with physical needs. The staff at the Castle have been very understanding of the diversity of our group supporting us in every way possible.

**Jewel Bauer** - **P-3 Department Leader**

**TRANSITION DEPARTMENT NEWS**

We must be doing something right at Caboolture Special! In all my years of teaching, I have never had such positive feedback from students who are so excited to be back at school.

One highlight of the past week has been Jai M’s attainment of his learner’s licence. What a brilliant effort and congratulations, Jai!

Another exciting success has been the work placement of two of our boys who will be starting paid work at KFC next week.

Well done, Ryan M and Jordan H! Both boys interviewed exceptionally well. When asked if they had any comments or questions, Ryan stated that he was excited because he wanted to be challenged and, Jordan asked the all-important question, “How much per hour will I be paid?”

Many thanks for the ongoing support of Eddie from HELP industries, who is assisting several of our students to find suitable employment this year.

**Colleen Grieg** - **Transition Department Leader**

**GUIDANCE MATTERS**

**Looking In Looking Out**

Pine Rivers Neighbourhood Centre in partnership with Relationships Australia are holding a 6 week group for parents and carers who are interested in exploring ideas around self esteem and ways to make changes towards having a healthier self esteem.

This is a craft-based group.

The aim of this group is to provide a safe and creative environment for people to explore and understand their self esteem covering topics including: Ways you can increase your self esteem; assertiveness.

**When:** 16th October - 20th November, 2013

**Time:** 9:30am coffee for a 10am start, until 12:30pm

**Venue:** Pine Rivers RSL, 171 Grove Rd, Murrumba Downs

**Cost:** $5 concession $10 non concession – covers morning tea for entire course - child minding available on request

For further information contact Anita at Pine Rivers Neighbourhood Centre on 3205 2955 or anita@prnc.org.au

**Lighthouse Community Care**

This community organisation has recently opened in Caboolture, to support families that may be struggling financially.

Lighthouse Community Care is able to provide a trolley of groceries for $30 - including dairy, tinned food, fruit and vegetables, bread products and pantry items.

Phone 0401 313 611 or see them on Facebook/website for details on how to order, pay, and pick up.

**4-6 DEPARTMENT NEWS**

I like to welcome everyone back to term 4 and we are glad to see everyone excited about being back at school. I am really pleased to report that our gymnastics program is continuing to run this term. All the students involved are excited and enthusiastic about going to Deception Bay PCYC and getting involved in all the new skills they are learning. They are discovering the skills they have learnt is now been applied to trampolining, balance beams, uneven bars and floor exercises.

We are looking forward to exploring our science program and there are some exciting projects on the agenda in terms of exploring the environment around us. Some classes looked at recording the change of weather throughout the school day, recording the moon phases, growing different plants as well as observing the differences to theent plants as well as observing the differences to the
